Sub: Maintenance of Register for monitoring different aspect of tax administration.

After introduction of the Orissa Value Added Tax Act w.e.f.01.04.05 the registers maintained during the OST regime were abruptly discontinued. As a result, proper monitoring of the different aspects of tax administration could not be done at the Circle and Range levels. Hence, following circulars were issued from the Head Office on different dates prescribing different registers to be maintained in Circle / Range offices.
